

Patrons :

Dr. Satya Prakash Panda
Hon'ble Chairman

Prof. Jyoti Prakash Mishra
Hon'ble Vice Chairman

Prof. Snigdharani Panda
Hon'ble Secretary

Prof.(Dr.) Brajabandhu Pradhan
Hon'ble Director

Chairman :

Prof.(Dr.) Niranjan Sutar
Principal

Organizing Secretary :

Prof. (Dr.) Sambit Kumar Mishra
Professor & Head , Dept. Of CS&Engg.

Organizing Committee

Prof.(Dr.) Binayak Sahu, Vice Principal

Prof. Jharana Paikaray

Prof. Amarnath Singh

Prof. Santosh Kumar Rath

Prof. Nilamadhab Mishra

Prof. Rakesh Kumar Rath

Prof. Neelamani Samal

Prof. Smaranika Mohapatra

Prof. Subhashree Rath

Prof. Snigdha M. Mohapatra

Technical Committee

Shri Rashmi Ranjan Pati

Shri Uma Maheswar Rao

Shri Prashant Kumar Parida

Shri Purna Chandra Mohanty

**Recent trends in Big data storage and
cloud computing, current state and
future opportunities**
(NSRTBDSC-2016)

Two days National Seminar
On
22nd and 23rd January 2016

In association with

Science and Education Publishing

Organized by :

**Gandhi Institute for Education &
Technology**
Baniatangi, Bajapur, Bhubaneswar-
PIN : 752060

**Phone No : +91-6755-243604 /

INTRODUCTION

Big data is a broad term for data sets so large or complex that traditional data processing applications are inadequate. Challenges include analysis, capture, data curation, search, sharing, storage, transfer, visualization, and information privacy. Scalable database management systems are a critical part of the cloud infrastructure and play an important role in ensuring the smooth transition of applications from the traditional enterprise infrastructures to next generation cloud infrastructures. Though scalable data management has been a vision for more than three decades and much research has focused on large scale data management in traditional enterprise setting, cloud computing brings its own set of novel challenges that must be addressed to ensure the success of data management solutions in the cloud environment. This seminar focuses on organized picture of the challenges faced by application developers and DBMS designers in developing and deploying internet scale applications.

CALL FOR PAPERS

Papers are invited from academicians, research scientists, engineers, consultants, and students for presentation in the Seminar. The papers should be concise and reflect the original thoughts, recent advances, research works, practical experiences related to the theme of the Seminar.

TARGET DATE

Receipt of Abstract /
full Paper : 31st December 2015
Registration fee : RS. 3000/-

ABOUT GIET

Gandhi Institute for Education and Technology (GIET) is a fast growing technical institute, situated on the Southern belt of the capital city of Odisha, Bhubaneswar. It is established in the year 2009 with the most promising task of imparting high quality technical education to its students. It is also an ISO 9001:2008 certified Institute with the approval of AICTE, New Delhi, Govt. of India and affiliation from BPUT Rourkela, Govt. Of Odisha. Its campus is rich in natural ambience and scenic beauty. The Institute keeps growing each year with a goal to excel and continues to enrich each year with new feathers to its cap.

The Institute works with a mission to expand human knowledge beneficial to society through inclusive education, integrated with application and research. It strives to investigate on the challenging basic problems faced by Science and Technology in an Inter disciplinary atmosphere and urges to educate its students to reach their destination, making them come up qualitatively and creatively and to contribute fruitfully. This is not only its objective but also the ultimate path to move on with truth and brilliance towards success.
