# GANDHI INSTITUTE

FOR EDUCATION & TECHNOLOGY

Rs 12000/- PM after evaluation of performance at site.

## ACCOMMODATION & FOOD:

In addition the selected students will be provided with shared bachelor accommodation and transport at site. As regards Food, We provide contributory mess at substations. On successful completion of probation the candidates will be covered under the PF scheme of the company.

- Position : Trainee Engineer
- Branches eligible: B. Tech (EE/EEE)
- Selection Process: Written, PI
- Joining date: After Completion of All Exams
- Probation: Six month
- No. of vacancy: 45-50

## MANDATORY REQUIREMENT:

The selected students will be required to stay away from City limits and in quarters /rented houses at company's expense. Hence we need such students who are used to village life and are REALLY INTERESTED in supporting families. They must be willing to stay in village atmosphere. The sites we get are in various states and hence the students will be open to travel anywhere in India.

Please note that company provides excellent opportunity in career advancement in areas of OPERATION, MAINTENANCE, TESTING AND COMMISSIONING OF Substation. We also deploy students in TRANSMISSION LINES. So they should be prepared to work in transmission lines projects also. The conditions at sites may be tough. Hence the candidates must be prepared to work in adverse conditions.

## NOTE:

- 1) All students should be come with Proper Uniform (with Blazer & Tie).
- 2) Please carry your all Academic certificates 10th on wards (Copies of Mark Sheets), copy of Resume 2nos., 2 recent passport size Colour Photographs.
