

A Two- day National Workshop on Internet of things (NWIoT:2K18)

Gandhi Institute for Education and Technology , Baniatangi in association with IOSR Journal and Inderscience publication house conducted a two day national workshop on 28th and 29th September 2018, on IoT.

The conference was inaugurated by Prof. (Dr.) Uma Charan Mohanty, Professor emeritus IIT, Bhubaneswar and Prof. (Dr.) Sarojananda Mishra HOD, Computer Science & Application IGIT, Saranga & Professor(Dr.) Nibedita Adhikari, Deputy Director Exam, BPUT. It was attended by large number of students and faculty members from our institute and outside. Both the speakers presented papers in technical session and interacted with students. The post lunch session was equally interesting . It was attended by Prof. Ipseeta Nanda from NIIT University, Rajsthan and Er. Binyank Sahoo , Trainer, Java Technocrats. Both of them discussed the jargon's of IoT, research results & hands on . The first day of the workshop was concluded by the vote of the thanks by co-convener Prof. Neelmani Samal.

The 2nd day of the conference was started by the technical session presented by Er. Prasanna Dixit from Interface Software Bhubaneswar. He delivered talk on Smart agriculture using IoT and it's real world examples.He had shown a model presentation to the students on smart irrigation. It was highly informative and interactive session. After the technical session the valedictory function started with the distribution of participation certificates to the contributors of the proceedings. The workshop was culminated with the vote of thanks by Prof. Nilamadhab Mishra. At the end the photo session was held and the The convener of the conference Prof.(Dr.) Anil Kumar Mishra thanked everybody directly or indirectly involved with the conference.

We look forward to conduct such type of events in future.
